- J. Gardner, Chairman - Typing Committee & MACOBS Secretary

-ACKNOWLEDGEMENT-

Our grateful thanks is extended to our wives and the many other wonderful people who have contributed so much to make this 3-B League possible. It would be impossible to name them all here, such as our school personnel headed by Mr. C. Scheltema, the Volunteer Firemen, Township officials, the Temperance Rotary Club, Lambertville and Samaria Civic Clubs and many, many others. Without them, this extensive program would not be what it is today.

AFTER YOU RECEIVE YOUR GAME SCHEDULE

MARK THE GAME DATES

May							June

Score Keeper etc.

-FARM CLUB-

(No Picture) - Director Stanley Eyrd - We need some good men
here - VERY IMPORTANT

-JUNIORS-

Frank Miglore, Sterling Adams, Bud Sidenstecker, Jerry Lorenzen,
John Habbitt

ORGANIZED

After more than a year of study and planning, Your 3-B League was officially organized August 28, 1957 by your General Manager, Commissioners and Secretary-Treasurer. The program has progressed rapidly, with more than 90 boys registered, and the team managers, etc., have been selected. The league is patterned after the Major Leagues including a farm club. We have a director of athletics and training, team physician, business director, legal counsel, Farm club director, coaches, scouts, etc.

With such a fine compliment of capable men at the helm you can readily see that the program is certain to succeed and grow. All it needs is the "Crowning touch"...YOUR support! Any program needs the ACTIVE participation of its people, not only by contributions, but by game and practice attendance. Remember, this is YOUR LEAGUE and will guide, direct and encourage boys in good sportsmanship and build character while they are developing into manhood. Our boys need this program so let's all get behind it and give it a BIG BOOST.

MACOBS (MANAGERS AND COACHES ORGANIZATIONAL BOOSTERS)

This is the organizational part of Your 3-B League. All parents and adults should join the Bedford MACOBS (or whatever name you decide later to call it). Membership is FREE! All you do is attend the games and one meeting a month. These are held on the second Wednesday of each month, at 7:30 P.M. in the High School on Douglas Road. There will be only one more meeting this spring, before the baseball season starts and that on May 14th. This to discuss plans for continuing this organization again in the fall, perhaps in September. Come to this last meeting...you will enjoy it. If you cannot come, we will see you at the game!

DO YOU KNOW A BOY?

Do you know a boy
Who has nothing to do?
He may be your son
Or a neighbor to you.

He could be a Name
Who lives down the street,
Or he may be a boy
You just happened to meet.

He might have a bike
and a bat and a ball,
Or he could be a boy
Who has nothing at all.

From the North or the South,
The East or the West,
All boys are the same,
They like baseball best.

He may collect toads
and some birds to tame,
Or maybe he'd rather
Just play a ball game.

So let's you and I
Get together today
and support our League
So our boys can play!

EXPLANATION

LEAGUE PICTURES - These are only age-group pictures.

TEAMS - Every player must earn his position on a team just like the major leagues. EACH boy has a chance! He will be coached and trained during practice tryouts. This is part of your league program to develop a boy's ability, competitive spirit and sportsmanship. We who are adults, know how important these three qualities are in later life and when our boys go out to face the world and discover that Dad and Mom can no longer make his decisions.

FARM CLUB - Purpose is to help the boy who has never played baseball or has played very little. He is an important part of the 3-B League. Here, his competitive spirit is protected because he is playing and training with boys who are his equal in ability.

PARKS - Unless Carr Park can be used to build a ball diamond, or some other area in Temperance developed, Your 3-B teams will travel to Samaria, Erie and Lambertville for practice games. We plan to use the new High School diamond for the Junior and Senior games if it is completed by May 10th or 15th.

LEAGUE GAMES - Will be played in West Toledo, Trilby and, possibly, Sylvania. Schedules and field locations will be available at your Commissioners' business offices to all those who sign and send in their pledges and donations.

PRACTICE GAMES - Certain of these and Home games will be played in full uniform with Trilby, Ida and, possibly, Sylvania at the parks stated above. The Minors will play at Samaria, Erie and Lambertville.

TROPHIES - One trophy to each of the following:

1. The team that wins the most games.
2. The team that draws the most spectators support over the season. (Decision by 3-B Officials)
3. The most improved player on each team (decision by Managers)
4. The best sportsman on each team. (Decision by team-mates) Vote based on (1) sportsmanship, (2) team spirit and (3) ability.
5. The most improved player in the Farm Club. (Decision by Mr. S. Eyrd and Assistants)

This was printed in early 1958 in Columbus by a friend , about 700 copies were used to publicize the first Teams and Games of the 3B league. Placed by canisters in Bedford stores etc., to help raise funds.

Copies to teams and parents, boys and anyone else we could use to get things going.

I traveled 3 states at the time and prepared most of this in evenings in Motels so missed a lot of important data that should have been a part. But it did the job.

Perhaps you may find it useful in your publication.

Sincerely

It's yours to keep if you wish.
