I would like to extend a heartfelt "Thank You" to all of the sponsors, volunteers, coaches and parents that make 3B Baseball possible.

As a coach, umpire and President, I enjoy seeing how 3B positively affects our community.

Through the help and support of the community, 3B has been able to:

- Build and maintain dugouts to keep players out of the Summer heat
- Extend fences to keep players and spectators safe
- Improve field conditions raising the level of play and increasing player safety
- Increase the amount of financial aid available to help the less fortunate, play baseball
- Provide pitching machines to younger divisions
- Improve the quality of equipment, umpiring, and uniforms—all making for a better experience for the players, and
- Play baseball games at night, under the lights!

Please take an opportunity to review this Roster Guide and pay close attention to the sponsors. Without their donations, 3B would not be able to provide such a high-quality product. Without **YOUR** support of their local businesses, they would not be able to support 3B.

Thank you, again, for making 3B, Bedford's Best Baseball!

The 3B Baseball Board, coaches, players, and volunteers are extremely appreciative of the Bedford Township Park Commission.

Without the support of the Commission, 3B would not be able to provide the children in the Community the same quality and access to "America's Pastime".

Please take a moment to recognize the 2013 Park Commission members and thank them for their unwavering commitment to the children of 3B Baseball.
