Re: Freedom of Information Act Request

Dear Mr. Stock:

This will respond to your Freedom of Information ACT (FOIA) request received via email by the FOIA Officer for the District on February 8, 2016 for the following information concerning the Health Van:

1. *Who can use the service?*
2. *Total cost to operate for the last "Fiscal Year"*
3. *Number of people who use the service last year.*
4. *Source of Revenue to operate the Health Van*

Due to the nature of your request and the time needed to collect and appropriately compile the information, this letter will serve as the District's invocation of the ten business-day extension of time to respond to your request, MSA 4.1801(5); MCL 15.235. This ten business-day extension is in addition to the statutorily prescribed five business-day processing timeline set forth in the act. Therefore, the District will respond to your request on or before February 29, 2016.

Further, pursuant to MCL 15.234, the District estimates that the cost for the document duplication including labor, will not exceed \$50, therefore a good faith deposit will not be required.

If you have any questions, please contact me at 734-850-6020.

Sincerely,

Howard D. Schwager
Executive Director of HR/LR
