

# Bedford Twp. voters burdened

Bedford Township voters have been bombarded by the school board and other officials who want more tax dollars ("Monroe Co. voters have many choices; Nov. 4 general election ballot includes House and Senate bids, levy requests," Oct. 20).

Voters in May defeated a \$70 million millage request from Bedford Public Schools for building maintenance. That request is back on the Nov. 4 ballot. Monroe County Community College is asking for an

additional 1 mill. When is enough enough?
