PRESS RELEASE: BEDFORD TOWNSHIP MICHIGAN 9/12/2014

ATTENTION: ALL BEDFORD TOWNSHIP PROPERTY OWNERS!!!

Want to put an end to the \$75 special assessment road tax before it can be enacted by the township board? We must get signed petitions ASAP from every property owner in the township. If your property has 2 signatures on the deed we will need both people to sign the petition to count toward your property. Citizens for Fiscal Responsibility will be manning petition signing stations starting September 14, 2014 from 1pm-3pm at the following locations:

TODDS GUNS - 8019 Summerfield Road, Lambertville, MI 48144

WHITE PARK – Douglas Road between Dean & Consear Road

FORMERLY SCHWANGER CHIROPRACTIC PRACTICE: 6588 Secor Road (corner of Secor & Smith Roads)

OUR TOWNSHIP BOARD IS CURRENTLY SITTING ON A GENERAL FUND IN EXCESS OF 3 MILLION DOLLARS. DON'T EVEN THINK ABOUT ASKING TAX PAYERS TO REACH INTO THEIR WALLETS UNTIL YOU HAVE FUNDED THIS PROJECT WITH AT LEAST 2.5 MILLION OF OUR TAX MONEY. THAT WILL LEAVE THE TOWNSHIP WITH AN ADEQUATE SURPLUS ON HAND FOR ANY EMERGENCY THAT MAY OCCUR.

We would also like to encourage all Bedford Township residents to attend the next Bedford Township Board Meeting on Tuesday September 16, 2014 at the Bedford Township Hall starting at 7:00 p.m. A Bedford Township resident has requested that the board vote at this meeting to rescind the resolution to adopt a Special Assessment District for Roads in Bedford Township and vote to use some of the excess money in the General Fund Balance to finance road projects scheduled for next year. This would save the \$7,000 cost of mailing the next required legal notice to all 12,300 property owners. Discussion regarding the 1st Public Hearing concerning the Special Assessment District has been placed on the agenda for the September 16th meeting. Please attend this meeting and voice your opinion!
