"Our Class Gets Around"

As the class roster in the program will show you, our class has moved all over the United States and sometimes the world.

We have classmates in Alaska, Connecticut, Iowa, Illinois, California, Florida, Ohio, Colorado, Texas, Mississippi, New Jersey, Virginia, Arizona, Tennessee and of course, Michigan.

The biographies show us they have traveled all over the States and the world; going to school, pursuing careers, traveling and even fighting wars.

Wherever our lives and careers have taken us, I think we will all enjoy being "together again" tonight for a little while.

BEDFORD HIGH SCHOOL FIGHT SONG
