Induction Ceremonies Monday

47 Tapped To Honor Society

During the assembly held Monday, third hour, for the morning session, thirty-two Juniors and fifteen Seniors were well rewarded for their accomplishments in high school. These forty-seven students took an active part in the annual tapping ceremony sponsored by the National Honor Society.

The Juniors must rank in the top ten per cent of their class and maintain, at least, a 3.25 average. The Seniors must be in the top fifteen per cent of the class to be considered.

The candidates were judged on their character, service, leadership, and scholastic ability.

The newly tapped neophytes are: SENIORS: Mary Andrews, Dennis Decker, Drucella Drinkhouse, Don Freeman, Melvin Fultz, Diane Hilde, Laurel Hilde, Lynda Hisc, Tamara Kanavel, Michacline Osmak, Linda Pancoast, Charlotte Rosclit, Greg Smith, Charles Vaughn, and Norma Whittenburg.

JUNIORS: Chris Capman, Diane Chrismer, Janice Curtis, Joanne Dally, Ronald Fultz, Tawnya Fuller, Margerie Harwick, Susan Hobbs, John Kreuchauf, Gail LaVoy, Linda Lazetti, Fred Lowe, Gertrude Madden, Jim McGannon, Nellie Metscher, Janel Miller, Kim Miller, Susan Moore, Melinda Motes, Virginia Powers, Marilyn Schroeder, Larry Schultz, Donald Sheppard, Judy Stubleski, Bonnie Trapp, Lynn Vaughn, David VanOcyn, Sam Ward, Christine Warren, Pat Wells, Sheryl Young, and Thresa Zwielfel.

The formal induction of the Neophytes will be next Monday in a formal ceremony.

"Last Blast" Tonite In Gym

Tonight the sophomore class is holding the last school dance of the year. The "Last Blast" will be the final time for the whole student body to get together.

Danny Karpentey will be the disc jockey and Evan Chase will take over on Danny's breaks. The time is from 7:30 to 11:00. The price is 50¢ stag and 75¢ drag.

The Sophomores are expecting a large turn out for this "Last Blast." Let's not disappoint them.

Senior Schedule Outlined

Graduation is rapidly approaching. Here is the Senior Calendar.

- May 26 and 29 - Final exams for Seniors only.
- May 29 - Last regular day of school for Seniors only.
- May 29 - 1:00 p.m. to 2:45 p.m. - practice for Baccalaureate.
- May 31 - Baccalaureate Service - 8:00 p.m. to 9:00 p.m.
- Monday, June 1 - Senior outing to Cedar Point 8:30 a.m. to 6:30 p.m.
- Wednesday, June 3 - Senior Breakfast - 8:30 to 9:30 a.m.
- Wednesday, June 3 - Graduation practice - 9:30 to 11:00 a.m.
- Thursday, June 4 - Graduation - 8:00 p.m.

May the Staff

Thank You All

Because this is the last issue of the Goalpost for this year, the editor and staff of the paper would like to take this little space to express a big "Thank you."

We have been endowed this year with a vast treasure chest of cooperation and friendliness, which is and always will be a characteristic of Bedford.

A tribute must be paid to the teachers for all they have endured so that the paper would meet its deadlines.

The administration deserves a huge vote of gratitude for its help and assistance, not to mention the vast stores of tolerance which were given.

Without the backing of the student body, we would have been nothing. Because of the endorsement and support of the total enrollment of BHS we were able to have the most successful Goalpost year. Bedford students purchase more than 18,000 papers, an all-time record. More than 250,000,000 pages were printed.

Last, but certainly not least, a deep vote of gratitude must be given to our night janitors; Al and Jim. They were so cooperative and understanding in helping us after school. THANK YOU ALL!

We Must Strive to Win

Victory is the Fruit of Labor

Nowhere is there to be found a feeling greater than the heady, overpowering feeling of victory. Victory is the fruit of labor, the prize of conquest and the vanguard of progress. This feeling is proof to the individual that he has triumphed and won, that he has overcome all obstacles and arrived at the summit and gives verity to the individual's faith in himself.

Next year's editors of
the Goalpost: Virginia
Powers and Ellen Geer.

Victory is the by-product of labor and effort. There is no victory in an effortless conquest. For victory, being an individual's feeling, must be felt in the heart and soul. There are no artificial personal victories.

This feeling is only brought about by the desire to win, to rise to great heights, to be a conquerer. It has been the motivation of all great men throughout history. Wherever there has been progress the desire for victory has been deeply imbedded in the hearts of the progressives.

Victory is necessary for happiness in most people, for without victories life would be barren and meaningless. We would have no reason to live and there would be no hereafter, for attaining heaven is a victory and often a hard fought one.

Victory is sacrifice. To be a victor, one must shed the shackles of complacency and satisfaction and reach out into the uncharted land of the unknown. This is one of the greatest sacrifices in the world.
(see Victory, page 3)

HAVE WE SUCCEEDED?

Our Restatement of Purpose

In the first issue of the Goalpost published this year, September 20, 1963, the paper printed what our guiding light through the rest of the year has been. Our purpose was expressed on the front page of that first issue. Below is that same "Statement of Purpose." We have tried to make it our handbook, and hope we accomplished our goal. It is now your analysis, your decision which will prove whether we met our challenge and conquered it.

The goal of this year's Goalpost staff is you!

You, the student of Bedford High School, are the destination to which we will aim.

You, the parent, we will inform.

We intend to present factual accounts of all school happenings of importance. Our reporters will "dig" for news.

All student opinion will be voiced, so long as it is not of a degrading nature. Underclassmen news will be as important to us as all other school news. Objectivity will always be a must.

The editorial department will strive to educate, inform, and entertain students. Editorials will be thoughtful and fair.

Promotion of school spirit will be an ever present goal. Sports events will be covered by our on-the-spot sport editors.

Student achievement will be printed without hesitation.

It is our duty to give of our time and talents so that Bedford will know a new strength through unity.

Did we meet our challenge?

P T A Carnival

Is Tomorrow

The Parent Teacher Association of Bedford Public Schools will present tomorrow, May 23, its fourth annual Carnival in Bedford Junior High, on Temperance Road.

The yearly P.T.A. affair will be open from 11:00a.m. until 9:00 p.m. to raise money for a worthy school project.

This year's Carnival promises to be one of the best ever. There will be fun, games, prizes, and surprises for all. A talent show will be staged during the course of the afternoon.

Come one, come all, to the fourth annual P.T.A. Carnival. Let us help make it the most successful one yet.

ALSAC Drive

Nets New High

The ALSAC drive (Aiding Luekemia Stricken American Children) was held Tuesday, May 19th. This year, the campaign netted \$734, almost \$260 more than last year and \$700 more than 1962.

Some of the "good money-getters" were Eben Graves, Laurie and Diane Hilde, and Melvin Foltz. Ten dollars was the average brought in per person.

The ALSAC Drive was the special project for the N.H.S. neophytes.

Melinda Notes informed us that the Lambertville area brought in more money than any other section.

Anyone interested in being a district chairman next year for ALSAC should contact Melinda.

VICTORY.....

(Cont'd From p.2)

The would-be victor must often sacrifice all that is dear to him, for victory's sake. But the greater the sacrifice, the greater the victory, for the two are usually in proportion.

Do not expect victory to come easily but never expell the hope of victory from your heart. And remember, anything worth having is worth working for
---VICTORY ABOVE ALL!

The Inquirer

Well, folks, this is the last week this "Inquirer" will be interviewing fellow Bedfordites. We will be moving along to let next year's staff come on. With the end of the year fast approaching, we would like to see what kind of a job we have done on pleasing our public. Our question this week is, "On the whole, what was your opinion of the GOALPOST this year?"

Charlie Clark, Sr.
"It was good, The editor's decisive opinions were my favorite!"

Shirley Turnbloom, Jr.; "I think it's good, I like to read it. The best part was Hilda."

Paul Palinski, Sr.; "I think it was really great! We had a nice editor this year."

Sandy Huffman, Jr.; "I think it was the best Bedford's ever had. There was more information and it's just plain more interesting. And the new articles added were cute, like Hilda, Patty and Linda about town."

Kathy Vass, Jr.; "This is my first year here at Bedford and I think the paper is better than the one where I came from. It was more the opinion of the students."

Only A Few Weeks

The Last Bells Toll

Time: 12:06 or 4:26 P.M., the last day of school. Place: the classrooms of Bedford High School. People: you, the students.

In one minute the bell is about to ring. But what is this final bell? It is not only ending your last day of school, but it is also ringing out a phase of your life. You can never recapture the moments you have spent this year--good or bad though they be. You can only go, never return.

To Seniors this last bell is ringing out your high school days. Now we go out and enter the world--take jobs or go on to higher education.

To Juniors it means you are now Seniors, the leaders of the school. May you make as much of next year as we did!

To Sopomores it means you are now Juniors, or upperclassmen. You have two more years ahead of you to achieve your high goals.

To Freshmen it means you are now Sophomores, still underclassmen, but no longer the babies of the school. You have three more years and so much ahead of you.

This last bell rings in summer. It rings in eons full of memories. Memories of dates, parties, classes, teachers, embarrassing moments, talks, friends, or enemies.

Make the most out of your future, but remember, you will never again be able to ring in the moments of the last bell.

RINGGGGGGGGGGGGGGGGGGG!

50-Mile Hike Starts Tonight

Once again, the test of the fittest is about to begin. For all you "weaklings" we're speaking of the 50-mile jaunt to Adrian and back tonight.

Everyone interested in proving his strength and endurance is to meet at 5:15 p.m. at the corner of M-151 and Porter in Samaria.

The "walking" will begin at 5:30. Of course if you want to RUN you're welcome to!

If you finish the little walk you will probably make it back to Samaria between 10 and 12 a.m. Saturday morning. If not, one of the following cars will take you home sometime during the night, depending upon when you stop.

The GOALPOST staff would like to say, we hope there will be many students attempting this feat and just as many finishing it.

Apple For The Teacher

Final Teachers Interviewed

Mrs. Tussing is a TU graduate that teaches English 10 and world history at Bedford. As a student at Scott High, she took part in art club and plays. In college she was a member of Alpha Delta Kappa (international honorary teachers sorority). She was the sponsor of art club and the class of '58. She has traveled throughout the U.S., Canada, and Mexico. Last summer she visited twelve countries in Europe. She plans on visiting Egypt, the Holy Lands, and Greece. Her other interests are art and music.

She marks a student "good" if he has an intellectual curiosity and the desire to improve himself and his surroundings.

Mr. Hale, a teacher of US history, world history, and driver training, is a graduate of Western Michigan University (WMU). As a high school student, he attended Richland High School (a training school of WMU). He played "most sports".

Mr. Hale sponsored the class of '56 and also has sponsored the Bedford Student Council for the last ten years. A teacher of 17 years, he feels that teachers must have patience. He thinks it is a good life but that it can be trying. His inter-

ests are most sports and his family.

Mr. Hale states that if all students in each class that want a good class would use their influence on their classmates, they would find their desire fulfilled.

"Bedford students are good kids only too many are lazy when it comes to their school work."

Our chemistry teacher, Mr. Pearce, received his B.S. degree from the University of New Mexico and his M.A. degree in Education from the University of Toledo.

He has been teaching school 14 years. This included teaching in an Indian school in New Mexico, 4 years at Airport, and 4 years here.

Mr. Pearce played basketball and tennis in college. He played football in both high school and college but a broken ankle brought his football career to a halt.

Presently he is chairman of the science department. He organized and headed the science fair at Bedford. He enjoys raising roses and has over 100 different varieties of various roses.

"I enjoy teaching at Bedford and feel that the students here are without a doubt number one," states Mr. Pearce. (See p. 10)

G.A.A. Sponsors
Annual Banquet

The annual G.A.A. Banquet was held Tuesday, May 19th, at Netterfield's on Upton Avenue in Toledo.

The members going to the banquet were to have paid Mrs. Freiheit 50¢ by last Tuesday. The banquet had been paid for by the proceeds from the G.A.A. carwash.

All the girls met at the school at 6:40 p.m. to go to Netterfield's for the banquet which was at 7:00. All members were to remember to sign their names on the list on the G.A.A. bulletin board for a ride to the restaurant.

Awards for this year's activities were given at this time.

Exam Schedule
Is Outlined

It has again come time for those dreaded final exams. The Seniors will be taking their exams Thursday May 28th and Friday May 29th. Those Seniors who took a "Skip Day" will be taking an essay type exam Monday, June 1st, in the study hall.

The Freshman, Sophomore and Junior class teachers are required to give an exam on Wednesday, June 3rd.

MULE TRACK PLACES 10TH; SUGG, RELAY, GO TO STATE

The Bedford Mule track team placed 10th in the regionals, last Saturday, May 16. The boys participating were Dave Ware, Dave Housel, Barry Kubitz, Jim Sugg, Wally Chany, and Eben Graves.

The mile relay team placed 3rd as the boys again broke their own school record. This time their time was 3:30.8. The runners and their times were: Dave Housel, 53.0; Wally Chany, 53.5; Barry Kubitz, 52.2; and Jim Sugg, 52.1.

Dave Ware entered in the high jump, pole vault, and the low hurdles. He finished in 5th place in the pole vault. Dave reached the height that took third place, but had one more miss in getting there than the others. In the other two events Dave didn't do so well.

Wally Chany was cut off twice in his attempt to win the 440. The boy cutting Wally off was disqualified, but Wally's time was still too slow, 53.5.

Eben Graves competed in the mile run and finished 9th, out of a field of 37. Eben's time was 4:52.

Jim Sugg was the highlight of the Bedford single runners. Jim ran the 880 in 1:59.8, and finished second in the region. Jim is capable of running much better and we are expecting a lot out of him next week at the state meet.

The Mules had 7.5 points and finished 10th. Monroe Public finished fifth as Ypsilanti won the Regional meet.

Say

"Thank You"

To all the people in the school who have helped us in producing the best Sports Section that the GOALPOST has ever seen, we say Thank You.

Through the works of Mr. Wagner, Mr. Kelley, Mr. Gasiorowski, Mr. Bergman, and Mr. Boehme, Mr. Thomas, Mr. McHugh, Mr. Stafford, and Mr. Hale, we tried to give you every detail of every sporting event this year.

If there have been any sports happenings that we have missed, we apologize.

Thank you

*Mules Trounce
Sylvania In*

14-4 Decision

The Bedford Mules' baseball team trounced the Sylvania Wildcats, 14-4, on Friday, May 15, on the Sylvania diamond. The Mules had beaten them earlier in the season 3-1, at Bedford. This left the Mule record at 7-5 for the year and 3-4 in the GLL.

In the first inning the Mules scored eight runs putting the game on ice. Twelve men came to bat with John Shuey getting two hits. They added to the total in the second and third. The seventh inning brought about another tally.

Nick Snyder got only one hit for the day, but it was a big one as he hit a grand slam home-run over the left fielder's head.

Bob Long pitched for the Mules, getting his second win against a single loss. He was effective in that he allowed only four runs in the seven innings. Bob's control was bad at times as he gave up six walks. But his brilliance shined at the end of the day with only five hits and six strike outs.

Shuey had three for five, Tom Meinhart, three for four, and Gene Stock had two for five, along with Snyder's grand slamer, lead the Mule attack.

Macmen Beat Bedford 4-1

On Monday, May 18th, the Mules took on the Macomber Macmen at Parmelee Field. The Macmen won the game, 4-1, as the Mules couldn't get hits at crucial times.

Fred Lowe pitched for the Mules and gave up the four runs on just four hits. He walked three and struck out nine in seven innings. This performance should have been good enough to win, but the Mules couldn't get runs.

The Macmen used three pitchers in the game. All of them were effective.

Macomber plays in the City League and holds a 3-2 record there. They lost a game earlier in the year with Whitmer, the CLL champs.

MICHIGAN WEEK, MAY 17-23

MICHIGAN.....Great In Resources And Opportunities

We are indeed "the lucky ones" to be able to say "I'm from Michigan", for what other state has more to offer? If you are the urban type, you have all the advantages of New York or Chicago in our own metropolis of Detroit, the automotive capital of the nation. On the other hand, if you seek the quiet beauties of nature, these are to be found too, all across Michigan, in her great system of state parks, especially in the beautiful Upper Peninsula. Thanks to Michigan's fabulous system of Interstate Highways, they are easily accessible from any locale. Michigan has recreation areas, fabulous hunting, tremendous beaches----in fact, Michigan has everything. So let's get out this Michigan Week and boost our great state----the WATER WONDRLAND.

Varsity Loses By 3-1 Count To Monroe C.C.

On Saturday, May 16 the Mules' baseball team traveled to Monroe's Cairns Field to tangle with the Monroe Catholic Central Falcons. The final score was MCC-3, Bedford-1.

Greg Smith pitched for the Mules, giving up the three runs and four hits. He lost his third game of the season against two victories.

Ralph Lipford pitched for the Falcons and he gave up only six hits. The Mules hit the ball well, but at someone.

In their first ball game, the Falcons also beat the Mules, that time, by a 1-0 score. It was much the same story in the second game.

Reserves Take GLL Title

The Bedford Reserve baseball team captured the league championship behind the strong pitching arm of John Sattler last Saturday. John finished with a 5-0 record, Gary Liber, the other hurler, finished with a 1-1 count. Mike Ferguson pitched in relief in two games.

The final record of the team was 6-1, the only team beating the young Mules was Whitmer by a score of 5-0. The other Whitmer game found the Mules atop of a 5-3 score. The Mules beat Clay twice 2-0 and 3-2. Sylvania fell the same way twice 9-1 and 8-2. These last two games decided who would take the crown. Rogers also fell to the Mules, 4-0.

In the next to last game, Sattler pitched four innings and built up a 6-0 lead. Ferguson then took over and gave up one run. Sattler then came back and pitched the Mules to a final 8-1 victory in the final game.

Mr. Hale said he usually played two teams, a freshman and reserve, as all the games were double headers. The whole team consisted of ten freshmen and ten sophomores. With the young Mules winning this championship, we can look forward to strong baseball for the next few years to come.

More Than Ever Before

80 Seniors Accepted to Colleges

More than 80 Bedford seniors have been accepted to colleges and universities for the fall term, next September, reports Mrs. Gordon, high school counselor.

Leading all other colleges and universities is Eastern Michigan, where some 18 Bedfordites have been accepted. Other colleges are: Adrian, 11; Michigan, 9; Michigan State, 9; Ferris, 8; Western Michigan, 7; Connecticut, 1; Michigan Tech., 1; Montana, 1; and Wittenburg, 1.

Mrs. Gordon said that many colleges do not report acceptances to the high schools; Toledo University is one of them. She stated that there would be approximately 10 from Bedford who will be attending TU next fall.

The counselors' list did not include, also, those who have enrolled in nurse's training, business colleges, and small parochial schools, that do not send acceptance notices to Bedford.

"This is, by far, the largest number of senior graduates who have gone onto higher education from Bedford," said Mrs. Gordon.

French Club Hosts Banquet At Lynn's

Wednesday, May 20, the French Club held its annual banquet. The evening was highlighted by two guest speakers, Mme. Moon of Adrian College, and Monsieur Joyeux of the University of Michigan. Surrounded by the delightful French atmosphere, the French members sang the drinking song, which added to the enjoyment of the French meal.

The festive dinner was served at Lynn's Restaurant in Toledo. Busses furnished the transportation.

Teen-Age GOP's To Hold Meeting

Wednesday, May 27, at 8:00 p.m., the home of Margie Coss will be the site of the meeting for the Teenage Republican Club.

A filmstrip entitled "Citizens' Political Responsibility" will be shown. Election of officers will follow. Discussion will include summer plans.

Prom Party After Formal

Last Saturday after the Prom, Janis Shanteau held an impromptu all-night party for a few of her puffy-eyed friends, who were in dire need of sleep.

Because the girls' dresses were a bit uncomfortable, Jan very kindly offered to lend them each a pair of her bermudas and a blouse which turned out to be quite hilarious because of the various sizes of the girls.

Terri Tulchowski had George's combat boots on and was dancing for her audience consisting of Carol Rosencrantz and Scott Moore, Chuck Smith, George Sailer, Pam Campbell and Harley Levins, Doris Greenburg and Dave Harvey, Ronnie Sailer, and of course, Janis.

The girls enjoyed a glorious evening and were found safely at home by 5:00 A.M.

Senior Trip At Cedar Point

This year, as you probably know, our seniors will once again venture to Cedar Point to spend the day. The date is set for Monday, June 1st. Busses will leave the school at 8:30 a.m. and will return about 6:30 p.m.

Last week a letter was sent to all senior parents concerning the excursion. The included slip must be returned with a parents signature.

The cost for the day will be \$3.00. This will allow a person to ride any ride at Cedar Point. Everyone will be required to ride a bus.

(TEACHERS, Continued From Page 5)

A graduate of Waite High School and the University of Toledo, Mrs. Freiheit teaches senior government and American history.

Her activities at Waite included student council, GAA, the senior play, French Club, science club, and debate society. In college she was in French Club and poppers.

She was sponsor of the class of '60 and presently sponsors GAA. She is interested in traveling and has been to every state except Washington and Oregon. Going to Bermuda this summer is one of her high hopes. She loves fishing, also.

She comments, "The prime factors for teaching is interest in young people, the association with them and finally the supreme delight one has in knowing of your contribution to the mental development of these fine people."

A graduate of Central Catholic High and the University of Toledo, Mr. Bohland teaches bookkeeping and general business.

In high school, he played football and was an all city tackle. He attended TU on a football grant-in-aid and received his B.E. and M.E. degrees. Presently he sponsors the class of '64 and the coin club. Besides this he finds time for coin collecting and golf.

(Cont'd Next Col.)

"A good student is one who has a purpose in life and pursues that goal to the best of his ability," says Mr. Bohland. He also believes that a teacher will be better if he chooses his area of teaching wisely.

Mr. Byrd is the teacher of special education at Bedford. He received his B.A. at Michigan State, his M.A. at the U of M, and Special Education degree at Eastern Michigan University. As a student at Petersburg High, he participated in the junior and senior plays and student council.

He enjoys hunting, fishing, woodcarving, and reading.

"A person who is willing to be taught and has a sincere desire to learn" is Mr. Byrd's description of a good student.

His advice to those interested in teaching is to find out where the best opportunities are going to lie in the future and then prepare to work in that field.

A final comment of Mr. Byrd's was "I think Bedford is truly the greatest. Don't ever forget that you really are number one!"

Class Sermon At Special Service

On Sunday, May 31, at 8 p.m., the high school gymnasium will be the setting for the Baccalaureate service for the seniors. The Rev. Raymond Cox, pastor of Temperance Free Methodist Church, will deliver the class sermon.

Attendance at Baccalaureate is not mandatory; however, seniors who want to attend must be present at the practice which will be from 1:00 to 2:45 p.m. on Friday, May 29.

Announcements Accompany Pics

The long expected senior announcements have arrived. With them are the condensed senior class pictures given free by Powell Studios to all Bedford seniors who had their pictures taken at Powell's.

Tuesday, May 12, Mr. Bohland's bookkeeping class was filled with anxious and excited seniors running in and out, searching for their receipts.

Many of the announcements were given out in Mr. Bohland's room. However, for those who didn't receive their announcements and class picture yet, may pick them up in the office.

DANCE

Mike Shaw - D.J.

"Half-Way To Heaven" Held

The many students at Bedford's Prom Saturday night found themselves "Half-Way to Heaven," at the Seacor Hotel. Angel dolls, blue cellophane and angel hair created the rapturous mood.

Punch and cookies were served. Pictures were taken by Powell Studio for the "Promsters." Couples danced to the music of Jack Runyon's Orchestra.

Some of the teachers enjoying this year's prom were: Mrs. Freiheit, Mr. and Mrs. Pinkerman, Mr. and Mrs. Wagner, Mrs. Mc Macken, Mr. Thomas, Miss Dzingleski, Mr. McHugh, Mrs. Krauss, Mrs. Chapman, and Mr. Maschke.

The juniors did a real good job of making this year's Prom very successful.

Dance programs at the tables and napkins with the refreshments had the theme of the dance printed on them.

After the dance, many of the couples went to dinner or parties to conclude their memorable evening.

Monday of this week two Seniors, Sandra Baker and Bill Bleasing, were chosen by their government teachers to represent Bedford at Monroe's Government Day, of Michigan.

What Makes All That Is Womankind

A CHEMIST'S DESCRIPTION

SYMBOL: Average-120; Isotypes known from 90 to 190.

OCCURRENCE: Found in both free and combined states.

PHYSICAL PROPERTIES: Boils at nothing and freezes without apparent reason. Melts when properly treated; very bitter if used incorrectly. Density may be very great.

CHEMICAL PROPERTIES: Possess great affinity for gold, silver, platinum, and precious stones. Violent reaction if left alone. Turns green when placed beside a better looking specimen.

USES: Chiefly ornamental, although a very effective cleansing agent. Useful as a tonic for the acceleration of lowspirits. Probably the most effective income reducing agent to man.

took them to the Monroe Court House where they watched court in action, and visited the city and county clerk's offices.

Sandra and Bill were only two of many students from schools all over the Monroe County.

Freshmen Hold Elections For New Year

Election time is here again. The following freshmen students have petitioned for the following offices: President: Cindy Rupli, Wayne Rumble. Vice-President: Douglas Dold, Kevin Sugg. Secretary: Kathy Moore, Joyce Mantel, Marie Crawford. Treasurer: Jennifer Davis, Dennis Hubbard Rhonda Rollman. Student Council: (two to be elected) Debby Lilly, Chris McMacken, Barbara Nichuis, Beth Walters.

An assembly will be held Monday, May 25, for the election. Each candidate is permitted to display two posters. These posters must be approved by the principal's office before they are displayed.

Each candidate must select a campaign manager, who is to give a speech limited to three minutes at the assembly. Also candidates are to have an acceptance speech (limited to one minute) prepared for the assembly.

Any members of the Teen-Age Republican Club wishing to attend the Bedford Twp. Republican Club meeting should contact Jon Frye at 856-1763.

Commencement June 4, 1964

Thursday, June 4, at 8:30 p.m., our football stadium will be transformed by shubbery, a speaker's platform, and volumes of folding chairs.

The proud occasion will be the graduation ceremonies for 206 Bedford High School seniors.

In addition to the speeches by our valedictorian, Nancy Kahn, and our salutatorian, Dora Cressy, will be addresses by our superintendent, Mr. Charles Sheltema, and our principal, Mr. Arthur Maschke.

HELPFUL HILDA

Really Named

We are at last able to reveal the true identity of our beloved "Helpful Hilda." Just as Hilda was so dearly admired by her many fans, so is Lynny Mason by all who know and love her.

Lynny made this comment. "For the past eight months I've held a grudge against Dave Snouffer, my editor, for appointing me to this position. Can't you see, I have problems of my own. All I ask is, "Why me? Why me?"

If you ever need personal counseling, just contact Lynny.

Spanish Club Plans Car Wash

Feet, hands, and clothing will be drenched tomorrow from 10:30 a.m. until 4:30 p.m. at the Shell filling station on the corner of Secor and Alexis Roads. The Spanish Club under the leadership of Mrs. McClelland, advisor, will sponsor a car wash at this time and place. The cost will be \$1.00 for Black walls and \$1.25 for cars with white walls.

Cheryl Young, president, reports that the profits will be used to sponsor a Spanish Club splash party.

Last Tuesday the organization participated in the ALSAC Drive.

There will be a special Spanish Club meeting next Wednesday, May 28, at 7:00 p.m.

13 Annual Ohio Music Festival At Sports Arena

The 13th annual Ohio Music Festival will be held Sunday, May 24, at 2:30 p.m. in the Sports Arena. Approximately 800 piano and organ students will participate while 10,000 onlookers listen.

Evelyn Powers, a Bedford sophomore, will play the lead organ while 32 other schools accompany her. The group will play "Days of Wine and Roses," "The Sound of Music," "Do-Re-Mi," and "Stars and Stripes Forever."

Another Bedford student, Mary Jones, will be one of a hundred pianists who will play together in a piano trio.

This festival is sponsored annually by Grinnel Brothers Incorporated.

Drama Club Inducts New Thespian

The National Thespian Society at Bedford became active again Wednesday night as 32 new thespians were initiated.

Mrs. Salter, founding sponsor of Thespians, and Cheri Stemen, president of Drama Club performed the informal ceremony.

After the initiates took the oath and received their certificates and membership cards, Mrs. Salter gave out special awards. John Frye and Denley Barnette each received a thespian one star rating. Cherie Stemen received a thespian two star rating. One star equals 10 points or 100 hours work.

The Society had become inactive at Bedford with split sessions in 1962. The organization was in danger of losing its charter until the new members were added Wednesday night.

School Hears S.C. Candidates

Thursday, May 21, in the high school gym, there was an assembly to present to the student body the candidates for the office of Student Council President.

Drucilla Drinkhouse, Commissioner of Assemblies, gave an opening statement and presented Sharon Stubleski, this year's Student Council President. Sharon explained exactly what the Student Council is and its purposes.

Judi Nyitray, manager for Bob Lee Master's campaign, presented her opening arguments. She explained that Bob was a representative to the Student Council for three years, elected in Freshman and Sophomore years. He was also a representative to the Toledo Area Student Council. Her theme seemed to center around "Let's Move Ahead!"

Bob, himself, said that the school had two decisions to make: (1) next year's Student Council President and, (2) the Student Council's future.

He thinks that respect should be shown to the minority as well as the majority, of Bedford students. He also feels that the Council should be made strong before the move to the new school is made.

He stated that there should be larger representation because of school growth.

Susie Moore, manager for Larry Schultz, explained that she feels the Student Council President should have high scholastic achievements and leadership qualities. Larry has both, since he had just been tapped for the National Honor Society.

Introductions made, Larry had many points which he made very

clear. He feels, like Bob, that there should be more student participation and representation. The general assembly should be revived and representatives from each first hour class chosen. There would be more supervision of the school organizations and activities, also.

This is a summary of the manager's and the candidate's speeches. The rest is up to you.
