

The Bedford Class of 1957 is extending an invitation to those people on the Florida Alumni Reunion mailing list to join them for lunch on the 13th of September. We thought this would be a great method of keeping in contact with the Florida Reunion snowbirds or any other Florida Alumni that are in the Bedford area on the 13th of September. We do not have money to mail an invitation to everyone through the U.S. Post Office. So, we are sending this invite to everyone for which we have an Email address. If you see anyone else that is on our Florida mailing list, please share this invitation with them.

We are taking reservations so that we can reserve enough seats. Thank you for taking the time to fill in the blanks and sending this form back to Gail Dojcsak.

We are looking forward to seeing you again.
