#### Airline Information

In general, airlines recommend that you arrive at the airport at least 2 hours prior to your departure for domestic flights and at least 3 hours prior to your departure for international flights. When traveling during holidays or other peak travel periods, additional time may be needed. Many airlines offer online check-in via their website, starting 24 hours before your scheduled departure.

Seating assignments and baggage policies vary by airline. Contact your Vacations To Go agent or check with your airline in advance for that airline's policies on baggage, on-line check-in and seat assignments. The airline does not guarantee that seating requests made in advance will be honored.

If the airline notifies us of a schedule change, we will update the air schedule on your Vacations To Go confirmation and email you a revised copy. It is recommended that you reconfirm your departure time and seating requests by visiting American website or by calling them directly at 1-800-223-5436 within 24 hours from departure.

## Collette Foundation

Collette  
Foundation

Your destination has been selected as a recipient of funding from our new philanthropic effort, the "Collette Foundation." Dedicated to brightening the paths of children around the world, the Collette Foundation works to improve the quality of everyday life. By choosing this tour, you will have a chance to learn a little more about our efforts in this destination.

In Australia, the Collette Foundation is supporting Drum Atweme in Alice Springs, Northern Territory. Drum Atweme is a group that meets the needs of at-risk Aboriginal youth between the ages of 6 and 13 through music. Their music is based on their own language and cultural identity. Youths are required and encouraged to attend school regularly. The program gives its members a strong and proud voice. Many of our past travelers have inquired about in-kind donations. The Collette Foundation does not accept in-kind donations directly, however, if you would like to bring items the children are in need of, below is a list of suggestions:

- Colored pencils
- Markers
- Notebooks
- Coloring books
- Hair brushes
- Hair accessories

The Foundation's projects are managed by employee teams comprised of people from all areas of the company. "The Collette team is trying to help our world's children one community, one project at a time," said Dan Sullivan, Collette's President and CEO.

## Travel Tips

---

Listed below is important information to assist you in preparing for your upcoming trip to From the Outback to the Glaciers. The information provided will help you have a more enjoyable experience while you are on your tour.

### Luggage

- For your inter-flights within Australia, New Zealand and Fiji, there is a maximum of 7 kilos (approximately 15lbs) for your carry-on bag. Checked bag maximum is 23 kilos (approximately 50lbs).
- Please consult with your scheduled airline as luggage fees and restrictions vary by carrier and destination. Due to the limited motorcoach capacity, one checked luggage (62 inches in length, height and width; weight not to exceed 23kg/50lbs) is allowed on tour.
- We also encourage just one carry-on bag per individual (for carrying items that might be needed during the day's sightseeing excursions or camera/video equipment). Dimensions for carry-on bags should not exceed 17" x 12" x 10", allowing it to fit under the seat or in the overhead rack of most motor coaches.
- If you exceed the limit of 2 bags, we cannot guarantee that your additional luggage will be able to fit in the touring vehicle. Storage or shipment of additional luggage will be at your own expense. If we are able to accommodate your additional luggage, we will assess a fee of 4 US dollars per bag per hotel. Please remember to label your luggage and important items with your name, home address and telephone number.
- We recommend labeling your luggage on both outside and inside of the bag.
- Please attach only the plastic luggage tag included in this mailing to your checked luggage before checking in for your flight.
- Your paper luggage tag is to be attached at the first hotel.
- We cannot assume liability or accept claims for loss or damage to luggage and personal effects due to breakage, theft or normal wear and tear that results from hotel, airline and group carrier handling. It is in your best interest to have adequate insurance (such as our comprehensive "No Worries Travel Protection") to cover these eventualities.

### Transportation

- Air Travel:
- Due to numerous flights in Australia and New Zealand, early or late flights may be necessary to fulfill all required components of the tour.
- Flight Information, Departure Taxes & Fees
- Land Only Vacations:
- If you chose to purchase a land only vacation, pay particular attention to flight segments that occur during the tour which are not included in your land only rate.
- You must purchase these internal flight segments and the schedule must match the flights that we utilize on the group tour.
- Please provide us with your flight schedules for the entire tour six weeks prior to departure so we may secure services if you purchased transfers from us, as well as maintain emergency contact.
- Air Inclusive Vacations
- Air inclusive vacations cover air transport to and from your origin gateway as well as all internal air segments on tour.
- In order to comply with Homeland Security's "Secure Flight" mandate, all passengers must provide full name, date of birth and gender at time of reservation. Your airline ticket must match the name on your valid, non-expired, government issued photo ID to be shown at the airport (including middle name, first or middle initial).
- If you are a member of a participating frequent flyer program, provide the number upon booking and retain the passenger copy of your ticket and boarding pass to ensure that you receive proper credit of your mileage.
- Some air tickets are not eligible for mileage accrual.
- Whenever possible, we will add charges for air departure taxes to your invoice. Some international arrival and departure fees are not included in your air ticket and must be paid by you on tour in local currency.
- Transfers
- We are pleased to provide you with complimentary airport to hotel, and hotel to airport transfers at the beginning and end of an escorted tour when you purchase an air-inclusive tour.
- Land-only clients who have purchased round trip transfers will be accommodated at the same times as air inclusive clients.

Arrival meeting locations and transfer departure times are provided on your document booklets.

On some programs there may be a waiting period at the airport due to varying flight schedules of other arriving guests.

If you have secured your own transfer, you may meet your Tour Manager at the hotel.

**Motorcoach Information:** We do not own or operate vehicles. We charter quality coaches that are temperature controlled vehicles. Coach size may vary based upon the number of tour patrons. In certain countries, lavatory equipped motorcoaches are not available or the lavatory is for emergency use only.

Frequent stops will be made en route for comfort and convenience.

**Seat Rotation:** Seats are rotated for the benefit of our tour guests.

This fosters communication and enables our guests to enjoy a variety of vantage points on the motorcoach. Guests will rotate seats at least once a day, as directed by the Tour Manager. In fairness to all, there will be no exceptions to this policy.

### Accommodations

- On some programs, there are a limited number of single and triple rooms. Double rooms usually consist of 2 beds. Triple rooms are normally a standard double room with 2 beds. A cot or rollaway bed may be added to the double room at some hotels, based on room size and fire codes. When triples are not available, appropriate charges for single and twin accommodations will be assessed.
- We make every effort to accommodate your specific requests and forward them to the hotels. These requests cannot be guaranteed as hotels may not always be able to honor them.
- Check-in times are set by individual hotel properties and vary by hotel. Depending on your arrival time, there may be a delay in gaining access to your room as most hotels offer afternoon check-in. We ask guests to observe check-out times at all properties as designated by the hotel.
- Some hotels require a credit card imprint or your passport information upon check-in in order to activate telephones in the rooms and for potential incidental charges. Most hotels charge an access fee for using phones in hotel rooms. Please check with the front desk personnel at each hotel for specific policies.
- Hotel membership programs are not applicable.

- In certain countries, U.S. accommodations are available at properties throughout the country.

### Clothing & Packing Tips

- As you prepare to travel, do enjoy a casual dress style and shoes! It is recommended to take during their summer months (December) weight clothing the remainder of the year.
- From May through October, it's a good idea to bring a weight jacket, hat, gloves, and a scarf especially for Phillip Island and also for your explorations of New Zealand.
- Rain wear and an umbrella are recommended year round.
- It is recommended that you bring along swimwear for your included excursion to the Great Barrier Reef.
- When visiting the central part of Australia (Alice Springs and Ayers Rock), it is recommended to dress for the desert in clothing such as shorts, a short sleeved shirt and sturdy closed toe shoes.
- It is a good idea to bring clothing that can be worn in layers so it can be easily added or removed as the temperature changes. You may want to pack a hat and sunscreen as well.
- Smart casual dress is suggested for your visit with a New Zealand family as well as for the farewell dinner.
- If you are taking prescription medication, please be sure to take an adequate supply for your tour and a few additional days, in original prescription containers. Medication should be packed in your carry-on baggage. Do not place it in your checked luggage. You may want to carry an extra prescription in a separate bag in case medication is lost.
- In many cases, laundry services are available to you at the hotel, for an additional charge. You may opt to pack wash cloths as they are not readily available in international hotels.

## Helpful Hints

- Bring a camera, memory cards, film and batteries and be sure to bring enough photography supplies for your entire trip. If you have a video camera, bring an extra battery, plus proper recharging equipment. Due to security screening, we recommend storing your equipment in your carry-on luggage.
- Bring a travel alarm clock, travel sewing kit and an alcohol based gel hand sanitizer when soap and water is not accessible.
- Pack items that may leak in plastic bags. Do not pack any articles of value in your checked luggage.
- As a precaution, we suggest that you divide the contents of your suitcase with your traveling companion.
- Avoid over packing and leave room for souvenirs that you plan to take back home.
- Bring a copy of your passport/identification and pack it separately from the original.
- Leave a copy of your tour itinerary at home with your emergency contact and a copy of your passport.
- Remember when flying you can only take one quart size bag with no more than 3 ounces of any one liquid. Liquids that do not fit in the one quart size bag and are larger than 3 ounces will be discarded by security.
- Remember to hydrate and get up and stretch while flying.
- If you are considering using your cell phone while traveling internationally, you should check with your cell provider concerning their access and charges for overseas calls, texting and emailing for the specific destination you are traveling to.

## Electricity

- An adaptor (which changes the physical plug) and/or converter (which changes the electric current) are necessary if you plan to use an appliance with voltage different from the standard within the country you are visiting. Please note, if your appliance has dual voltage you may still need an adaptor for the plug.
- When packing your electronic items for travel, please review the converter electric current level to make sure it is the same or greater than the items you are planning on using. If you plan on utilizing or transporting a sleep apnea machine, please remember to pack an extension cord and adapter plug to ensure proper function.
- Australia and New Zealand use 230 Volts. Both are Type I plugs.

## Currency

- Your personal bank card may work at local ATM machines in the destination you are traveling to and would dispense local currency. Please contact your bank to determine if this option is available, that your PIN number will be accepted, to inform them that you are traveling and to determine if any charges apply for each transaction.
- You may exchange your money at airports, banks, exchange bureaus, and at most hotels. In most cases, a commission charge will be assessed to exchange your money. At the hotel or in the city usually offer a better currency exchange rate than airports.
- We recommend carrying only a few major credit cards. Credit card purchases often provide an extra guarantee on your purchase (check with your specific credit card company for details and fees). It is advisable to contact any credit card company you intend utilizing while on tour before you depart to notify them where you will be traveling, to avoid any rejection of services.
- The currency in Australia is the Australian Dollar, in New Zealand, the New Zealand Dollar and in Fiji, the Fijian Dollar.
- If optional tours are made available to purchase, please note that credit cards must have an expiration date of greater than 30 days from the start of the tour.

## Gratuities

- Gratuities should be extended on a voluntary basis. Customary gratuities have not been included for hotel housekeeping staff, local sightseeing guides, transfer drivers, motor coach drivers and Tour Managers. Gratuities should be given in direct proportion to the level of professionalism and personal service extended to you. With this in mind, we have created a guide for you:
- Tour Manager: 5-8 US Dollars (or equivalent in local currency) per person for each travel day;
- Motor Coach Driver: 3-5 US Dollars (or equivalent in local currency) per person for each travel day;
- Hotel Housekeeping Staff: 2-3 US Dollars (or equivalent in local currency) per room per day;

## Communicating to Home

- Leave a copy of your tour itinerary at home with your emergency contact person and a copy of your passport. If there is an emergency at home and your family is not able to reach you at your hotel or ship, please direct them to call Collette's emergency line at +401-727-9000 and they will be directed to press 1 for 24-hour assistance. The emergency response person will act swiftly to determine your whereabouts and ensure you are notified to call home immediately.
- If you are considering using your cell phone while traveling internationally, it's a good idea to check with your cell provider concerning the accessibility and data charges for overseas calls, texting and emailing for your specific destination.

## Reading List

- As you prepare for your trip, reading is the perfect way to learn about the culture, people and history of your destination and know before you go. We have a list of pre selected travel guides, novels and books about history, nature and art that will enhance your travel experience. ## Meals

- Local Customs:
- It is suggested that you bring a gift for the New Zealand family who will host your dinner. Something representative of your area would be great. Value should not exceed 10 USD. (Note: Please do not bring unprocessed foods as they will be taken by New Zealand Custom Officers.) Respect the native Maoris' and Aborigines' privacy. Ask first if you may take a photo before doing so.
- Your itinerary indicates which meals are included on your tour. Please take a moment to review. Guests with special dietary requirements must advise their Customer Care Agent as early as possible to ensure that the restaurants are given ample notice. Also, please advise your Tour Manager at the beginning of your tour. Your requests are important to us, and we make every effort to accommodate these requests.
- Please be advised that the average price for meals (not inclusive of tax and gratuity) in where you are traveling is as follows: breakfast 10 to 15 US Dollars, lunch 20 to 25 US Dollars and dinner 30 to 45 US Dollars.

## Arrival Day Suggestions

- If you are staying post tour, your Tour Manager will be available to offer suggestions for your additional time in the area.
